[REDACTED]

Dear Parishioner,

I am writing to inform you of an application for planning permission that has been submitted to South Derbyshire District Council and for which you may wish to make observations.

The application relates to the conversion of an existing agricultural building into five dwellings at Lees Hall Farm, Marjory Lane, Harehill, Ashbourne, DE6 5AA. Details can be viewed directly at <https://southderbyshire.my.site.com/s/planning-application/a0b8d00000QJTF1AAP/dmpn20231324>.

I understand that the application is to be discussed at the meeting of Church Broughton Parish Council this evening. The meeting starts at 7:00pm and you are of course welcome to attend if you wish to make any comments in person.

Alternatively, if you prefer to make representations directly to South Derbyshire District Council, you are encouraged to submit these on the South Derbyshire planning portal using the link provided above.

Boylestone Parish Council is also willing to collate and forward to South Derbyshire any comments that it receives from parishioners who make their comments to us directly. Should you wish to do so, these may be emailed to Boylestoneparish2@btinternet.com.

Yours sincerely,

Peter Bambury
Clerk to Boylestone Parish Council
